86,000 Wyoming residents struggle with food insecurity.

That's not OK with us.

Wyoming Hunger Initiative has a simple MISSION: to end hunger in Wyoming.

We work to prevent food insecurity by increasing awareness and support for the work of local anti-hunger organizations statewide. Nourished kids, healthy families, and thriving communities: that's the goal of Wyoming Hunger Initiative.

Wyoming Hunger Initiative PROGRAMS:

Wyoming Hunger Initiative **Infrastructure Grants** are intended to support infrastructure and longevity of antihunger organizations as well as long-term, sustainable solutions.

Food from the Field is a partnership between hunters, processors, and participating agencies to streamline donation of game meat to food pantries statewide.

Grow A Little Extra is a partnership with the Cent\$ible Nutrition Program and Master Gardeners encouraging community organizations and individuals to grow extra produce for those in need.

Food from the Farm + Ranch has three programs for keeping locally-grown protein in local communities where it can make the most impact on food insecurity: Livestock Donations, Beef for Backpacks and Fair to Fork.

Most Wyoming school districts report that school meal debt is growing. Donations to **Angel Accounts** will help turn the tide so children can focus on learning, not debt.

In addition to the core programs, there are more Wyoming Hunger Initiative **programs, campaigns,** and **events** that benefit those in need in Wyoming. None of this could be accomplished without the efforts of statewide **anti-hunger organizations** and the generosity of our **sponsors**, **volunteers**, and **donors**.

Together, we can end hunger in Wyoming. nohungerwyo.org
